Covering letter

To,

The Editor-in-Chief,

International Journal of Ayurveda & Medical sciences (IJAMS)

Sub: Submission of Manuscript for publication in IJAMS

Dear Sir,

We intend to publish an article entitled 'in your journal as a '

On behalf of all the contributors I will act and guarantor and will correspond with the journal from this point onward.

Prior Publications/presentations details of this work:

Publication Details:

Presentation at:

Organisation

Place:

Date:

Support/Funding:

Conflicts of interest:

Permissions:

We also agree to provide post-publication update on this review article.

We have done sufficient work in the field to justify authorship for this review article.

We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the journal, in the event that such work is published by the journal.

Thanking you,

Yours' sincerely,

Signature

Corresponding Author

Commented [D1]: Title of the article

Commented [D2]: Type of the article

Commented [S3]: Give information about prior publication or presentation of this work or part of the work in a conference/seminar. If not published earlier, state so

Commented [S4]: Give information about financial and other support received. If not supported, state so.

Commented [D5]: State perceived or otherwise conflicts of interest. In case not, state so.

Commented [S6]: Give information about permission for reproducing pre-published information/material.

Commented [S7]: The journal expects the contributors to give **post-publication updates** on the subject of review. The update should be brief, covering the advances in the field after the publication of article and should be sent as letter to editor, as and when major development occur in the field.

Commented [D8]: Review article should preferably be written by those authors who have done substantial work in a particular field.

Manuscript Title:

I/we certify that I/we have participated sufficiently in the intellectual content, conception and design of this work or the analysis and interpretation of the data (when applicable), as well as the writing of the manuscript, to take public responsibility for it and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. I/we certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. Financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the cover letter. Sources of outside support of the project are named in the cover letter.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part, with or without fee; 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted.
